# A SUPPLIER BUILT FOR SCALE.

We believe diamond sourcing should be predictable, transparent, and built for growth.

Innovation Diamonds controls the entire process from CVD growth to final polishing and jewelry production. No intermediaries. No uncertainty.

You get exactly what you specify, delivered consistently and at scale.

## WHAT WE OFFER:

- ✓ Lab-grown CVD diamonds
- ✓ Jewelry production (OEM and private label)
- ✓ Custom supply programs

- ◆ Full control across the supply chain
- ◆ Consistent quality across every order
- ◆ Pricing you can plan around

# ESTABLISHED FOR CUSTOMERS WHO NEED CONSISTENCY

We know what slows brands down: inconsistent quality, delays, and too many middlemen. Innovation Diamonds removes the friction.

Decades of diamond expertise rebuilt for the lab-grown era. Born in the Israel Diamond Exchange, we combine technology, trust, and speed so your business can scale.

Built to eliminate uncertainty from your supply chain.

## STANDARD EXPORT AND COMPLIANCE DOCUMENTATION

-  Diamond certification copies
-  Export and customs documentation
-  Shipment tracking and full insurance coverage

-  Direct production, no middlemen
-  15,000–20,000 carats produced monthly
